LAINOX®

Made in Italy. Lainox full combi ovens are the world's smartest and most versatile cooking platform. When it comes to a smarter kitchen, Lainox Naboo stands above the rest. More than a combi oven it's a recipe, menu, labour, resource, cooking, cleaning, kitchen management platform. With an app that's so intuitive, it's familiar to anyone who has operated a smartphone or tablet. Naboo cooks food to perfection, separate or at the same time. Bake, roast, steam, poach, fry, or grill, Naboo does it all! Driven by a cooking application designed by chefs for chefs.

SMART

Naboo boosted provides you with Naboo coach, a genuine virtual assistant that gives you advice in the cooking stages, suggests the most suitable washing cycle to run, or even lets you know when maintenance is required. The Intelligent Energy System (IES) controls energy consumption based on the quantity of food being cooked while ensuring the temperature remains accurate and stable. The exclusive Naboo boosted AUTOCLIMA controls the ideal climate, therefore guaranteeing excellent cooking quality at all times.
