

ELEVATE YOUR SCHOOL'S DINING EXPERIENCE

EDUCATIONAL DINING SOLUTIONS

Transform Your School's Dining Experience with CFS Brands

CFS offers a comprehensive selection of foodservice items especially tailored for schools and universities. From serving trays to disinfectant wipes, our range of products is designed to enhance every aspect of the dining experience your institution provides for students. Whether you're reimagining your cafeteria setup, trying to optimize your kitchen operations, or something in between, we have the tools you need to create a dynamic and efficient foodservice environment.

CLEANING

Ensure cleanliness throughout your educational institution with versatile WipesPlus Wipes! In kitchens, our no-rinse food contact sanitizing wipes are EPA-approved and more effective than sprays or towels, combating bacteria and viruses, including SARS-CoV-2. They also sanitize utensils, earning high marks from inspectors and guests alike.

In cafeterias, our hand sanitizing wipes are alcohol-free, fresh-scented, and effective against E. Coli, Staph, and Salmonella, offering sanitization with each wipe. Sold in a convenient dispenser, they promote consistent use by staff and guests. In classrooms, our screen cleaning wipes are specially designed for electronic screens. Streak-free and non-abrasive, they effectively remove grease and debris from laptops, minimizing germ spread on shared equipment.

CAFETERIA & SELF-SERVING DINING

Dinnerware

Enhance your institution's front-of-house operations with hardy solutions from our Kingline™ and Dallas Ware dinnerware lines. Kingline™ presents budget-friendly choices in an array of solid colors, while Dallas Ware sets the industry standard for longevity with its superior stain and scratch resistance. Crafted from break-resistant melamine, both options help guarantee safety and efficiency in any dining setting. Pair them with our sturdy yet stylish stackable tumblers or Tritan mugs to streamline your operations for optimum organizational efficiency.

FOOD BARS

Our portable food bars offer unparalleled maneuverability and stability with sturdy, non-marking, swivel casters—two of which have brakes. Acrylic shields prevent food contamination and polyurethane foam insulation keeps food at optimal chilled temperatures when used with ice or cold pans. These versatile bars accommodate 6" deep pans in a variety of configurations and a faucet-type drain plug ensures efficient water removal. They're BPA-free, with an easy to clean, textured finish that resists scratching and allows for simple assembly of optional configurations.

BEVERAGE DISPENSERS

We offer a range of beverage dispensers perfect for high-traffic cafeterias or dining rooms. For space-saving efficiency, consider our Trimline dispenser with textured grips for comfortable handling, quart and liter markings for easy filling, and a leakproof hingeless lid to minimize spills.

The removable drip tray and dishwasher-safe construction make it a breeze to clean. For superior temperature retention, opt for our insulated Cateraid dispenser. It boasts leakproof design with spring-action faucets and O-ring seals, ergonomic handles for comfortable carrying, and durable, non-metal latches to prevent rust and damage.

TRAYS

Café and Compartment Trays from CFSBrands simplify mealtimes. Our lightweight, shatter-resistant Café Trays are lightweight, affordable, and promote self-bussing with a patterned surface that enhances grip and reduces skidding.

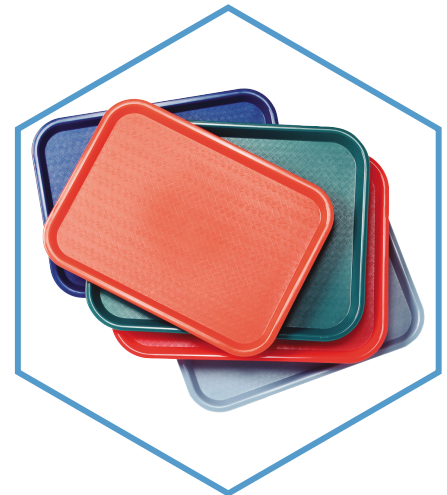

They can even be customized with your school's logo for a personal touch. Our Compartment Trays offer optimal flexibility with multiple orientation options and multi-sized compartments, which allows them to accommodate entrees, sides, desserts, drinks, and silverware. In addition, their durable molded unibody construction ensures longevity, while FDA-approved sizes make them ideal for schools.

FOOD STORAGE & ORGANIZATION

Maximize your educational institution's kitchen efficiency with our food storage solutions. Carlisle Squares Food Storage Containers feature tight-fitting, color-coded lids that stack to save space and prevent jamming, promoting organization and reducing cross-contamination. Available in clear polycarbonate or opaque polyethylene, they help ensure clean and organized food storage.

Araven's airtight polypropylene food pans extend shelf life by up to 25% and protect against cross-contamination. They feature a double airtight seal, flexible lid, permanent label, color-coded clips, and built-in measuring scale. Designed for convenience, they are stackable, nestable, easy to open, and simple to clean with rounded edges.
