WELCOME

The Chef Works story begins with a small uniform company in the late 1960s. More than five decades later, our story continues to be written. While we've grown to be the global leader in culinary and hospitality apparel, we're still rooted in the same family-owned charm and customer-focused principles that were established all those years ago.

With a domestic headquarters in San Diego and corporate offices around the world, Chef Works has achieved an unrivaled global reach with distribution in more than 70 countries. Through pairings with culinary giants and hospitality influencers, we've crafted a line of apparel that is durable, functional and fashion-forward.

We dress a diverse range of clients, including back of the house, waitstaff, international hotel chains, award-winning restaurants and bars, culinary schools, food service companies, laundries, assisted-living facilities and upscale cinemas.

Try us on for size. We think you'll find us to your taste.

GUIDE TO SIZING/FITS

Our new and improved sizing guide is designed to help you find your perfect fit. We've developed easy-to-follow instructions for all of our garments. Throughout this catalog you will see icons next to items that correspond to specific fits, materials and sizing charts.

Please refer to page 188 to match the icons and view the sizing guide.

SIZING

Chef Works has the perfect fit for you. We've provided you with three easy-to-follow steps outlined below.

Please note our proprietary designs give Chef Works garments individual fits to allow for maximum comfort and function.

FIND YOUR PERFECT FIT IN 3 EASY STEPS

1

How do you want your garment to fit? Choose your fit from the color-coded charts shown on the next few pages.

2

What are your measurements? All of our garment size charts refer to actual chest, waist or hip measurements. Match yours to our charts to find your size.

3

Pick your garment!

MEASUREMENT GUIDELINES

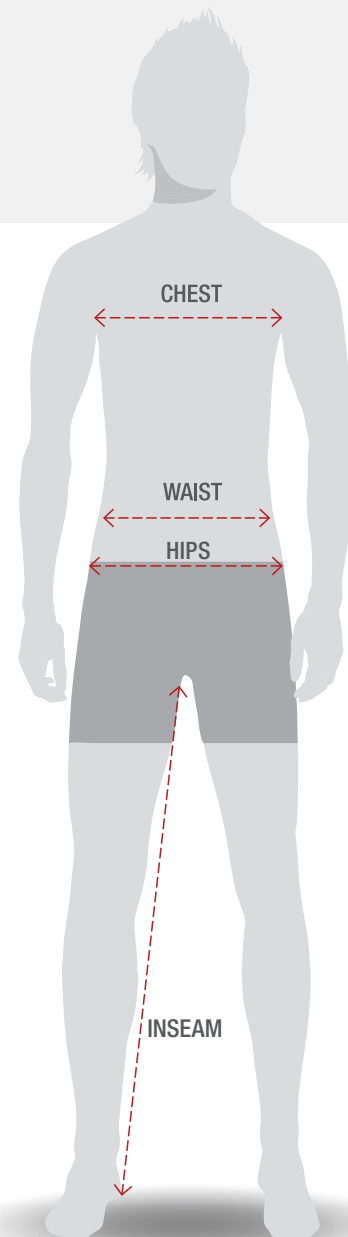

To get the best fit, stand straight and relax. With a measuring tape, use the illustration shown at the right as a guide and follow instructions below.

WAIST: Measure around your natural waistline above the hips.

HIPS: Measure around the widest part of your hips.

INSEAM: Measure from the base of the crotch to the bottom of your heel.
