Full Length Speed Rails

Silver Series Underbar

Standard Features

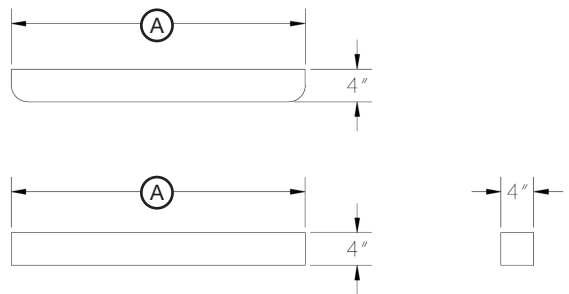

- Full length speed rails allow for maximum bottle storage
- 20 gauge stainless steel
- Easy to mount with keyhole slots (units 36" or larger have 3rd keyhole slot in center for added support)
- Holds standard and liter size bottles
- Mounting hardware required (use #10 steel metal screws 5/8" long)
- Double speed rails include two levels for added capacity, rear bottles raised 2"
