These dough cutters and scrapers are designed to make your life as easy as possible. With slant-edge scrapers that take the muscle out of scraping and plastic scrapers to make sure you have a durable, economical option, you can't go wrong with any of these handy pieces.

This 6"-long dough cutter and scraper with its durable wood handle takes versatility to the next level. Featuring a stainless steel blade with rounded corners, this tool can be used to manipulate and shape raw pizza, bread, and pastry dough. It helps ensure that you incorporate every last bit of dough from your work surface, so no dough goes to waste. Plus, the blade is sharp enough to slice your dough, so you can easily and quickly portion the dough as needed. You can also use it to cut your pizza toppings! Once you are finished, simply scrape away the excess dough, flour, and ingredients for effortless clean up. The rounded corners help prevent possible scratches on your surface. Designed of high-quality materials, this tool can withstand the everyday wear and tear of commercial kitchens. Use this dough cutter and scraper at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Hand wash only.
