Built-in

BUILT-IN OUTDOOR KITCHENS

Whether you're hosting a casual backyard barbecue or an elaborate outdoor gathering, built-in grills elevate your outdoor cooking experience to new heights.

The Infinite Series Built-In grills and components are engineered to integrate into your outdoor kitchen design. With our comprehensive range of built-in components, achieving the professional and uniform look you desire is effortless.

1 CHOOSE YOUR GRILL SIZE

Customize your grill

Begin your design with the selection of your grill. Whether you're cooking for an intimate gathering or a large party, select from a variety of sizes to suit your space and cooking requirements.

2 CHOOSE FUEL SOURCE

Liquid Propane or Natural Gas

When designing your grill, ensure that you know what fuel source is required. Natural Gas provides a convenient built-in option, so you never have to worry about running out of fuel. If you don't have access to a gas line, liquid propane is a great alternative.

3 ADD LIGHT PACKAGE

Knobs and Dome Lighting

Light up the night with the Infinite Series. Heat-indicating Face Lights (LED Knobs) and a halogen light in the dome are functional and create the ultimate cooking ambiance.

MODULAR OUTDOOR KITCHENS

Whether you're looking to create a cozy cooking station for intimate gatherings or a sprawling kitchen retreat, our modular series provides limitless possibilities. Tailor your culinary space to suit your unique needs and preferences, and enjoy the flexibility of an outdoor kitchen that can evolve with you.

With options in stainless steel and a curated selection of colors, unleash your creativity and effortlessly construct the outdoor kitchen you've been dreaming of.

1 CHOOSE YOUR GRILL SIZE

Customize your grill

Plan your modular grill configuration with careful consideration of the size and layout of your available space. Begin by selecting the right grill size to suit your cooking needs as the foundation for your new outdoor kitchen.

2 CHOOSE FUEL SOURCE

Liquid Propane or Natural Gas

When designing your grill, ensure that you know what fuel source is required. Natural Gas provides a convenient built-in option, so you never have to worry about running out of fuel. If a natural gas hook-up isn't available or you're looking for the flexibility to move your grill, liquid propane is a great alternative.

Inspiring colors for Infinite Series Modular

Add a pop of color to complete your dream outdoor kitchen. With eight core colors to choose from and dozens more available with consultation, your options for grills, cabinets, burners and more feels infinite. The Infinite Series color grills are truly the ultimate in outdoor entertaining.

INDUSTRY LEADING DURABILITY

Our colors are applied using a high-performance powder coating that is designed for maximum durability and extreme weather resistance

BRILLIANT FINISHES

Each of our colors have a glossy finish that pairs beautifully with our classic stainless look

MAKE IT YOURS

Choose between our flagship colors or connect with your Crown Verity rep to discuss custom color options

MUSKOKA MIST

Prepare dinner while being serenaded by the calming sounds of a lake lapping at your dock and the Canadian loons sharing their song.

RED ROCK SANDSTONE

Bring home a swatch of Red Rock to feel like you're standing next to the giant rocky formations of the Nevada desert.

NAPA VALLEY OLIVE

Add subtle greenery to your luscious backyard outdoor kitchen, reminiscent of the flowing fields of Napa Valley. Pairs great with a Sauv Blanc.

GRAND CANYON GOLD

It's somehow both exhilarating and serene to stand on the edge of the canyon while the sunset reflects across the subtle golden valleys of this breathtaking Arizona landscape.

ALASKAN MIDNIGHT

Get lost in the starry night sky with a deep black color on your Infinite Series color grill which adds an elevated sense of sophistication for the discerning at-home chef.

CAPE COD BREEZE

Show off your personality with a pop of color inspired by the fisherman's peninsula. Your guests will be as in awe of your grill as they are with the succulent lobster dinner you're serving.

GROTTO TURQUOISE

Enjoy a beautiful summer dinner grilled in your own backyard as you bring home the calm essence of crystal blue waters meeting a rocky shore.

ALBERTA WHEATFIELD

Embrace the peaceful calm of the neutral tones of a bountiful wheat harvest as you transform your backyard into your own peaceful oasis.

REQUEST A COLOR

Other color swatches are available upon request! Talk to our sales team to request a custom quote.

Red Rock Sandstone

Bring home the essence of the Red Rocks of Sedona Valley. Introduce rich, warm tones of the Nevada desert into your outdoor kitchen experience.

Muskoka Mist

Immerse yourself in the tranquility of a misty morning on the lake. Let the sounds of the Canadian loons and lapping lake bring Muskoka to your backyard.

Napa Valley Olive

Add sophisticated greenery to your exquisite outdoor kitchen, reminiscent of the flowing fields of Napa Valley. Pairs great with a Sauv Blanc.
