Finishes

We are pleased to offer a wide range of shelving finishes to meet the diverse needs and preferences of our customers.

Whether you're looking for style, durability, or functionality, we have a shelving finish that will suit your needs.

Products with this icon fall under Regency Spec Line

Chrome

Low Moisture Environments | Ideal for Dry Storage | Wire Shelf

Best for: Kitchens, Offices, Retail, Storage, Front of House, Warehouse Space

Benefits: Sleek, classic design is pleasant to look at and allows for maximum ventilation

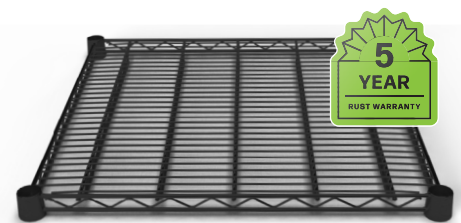

Galvanized Steel

Low Moisture Environments | Ideal for Dry Storage | Solid Shelf

Best for: Kitchens, Offices, Storage, Laboratories, Warehouse Space, Medical Facilities

Benefits: Protects from dust and prevents small items from falling through cracks

Black Epoxy

All Environments (Dry and Moist) | Epoxy Coated | Wire Shelf

Best for: Kitchens, Retail, Front-of-house, Office, Dishrooms, Storage, Walk-In Refrigerators and Freezers

Benefits: Subtle, aesthetically sleek design looks nice in any customer-facing environments while also protecting from moisture

Green Epoxy

All Environments (Dry and Moist) | Epoxy Coated | Wire Shelf

Best for: Kitchens, Dishrooms, Storage, Walk-In Refrigerator and Freezers, Greenhouses

Benefits: Ideal back-of-house solution that is suited for areas prone to moisture

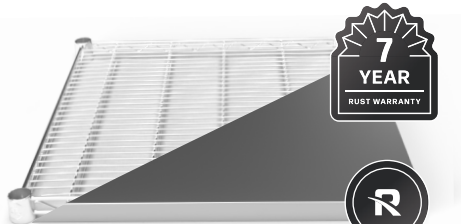

Drop Mat

All Environments (Dry and Moist) | Dishwasher Safe | Wire Shelf

Best for: Kitchens, Dishrooms, Storage, Walk-In Refrigerator and Freezers, Greenhouses

Benefits: Hybrid design protects from rust and containers that scrape off epoxy coating, creating an easy-to-clean surface

Stainless Steel

All Environments (Dry and Moist) | Attractive & Durable | Wire and Solid Shelf

Best for: Kitchens, Retail, Front-of-house, Walk-Ins, Offices, Dishrooms, Storage, Warehouse Spaces, Medical Facilities, Laboratories

Benefits: Fits in all environments and perfect for front or back-of-house solutions

Shelves

Regency shelves are constructed with sturdy metal materials that provide superior durability and strength. This means you can rely on our shelves to last longer and withstand the wear and tear of everyday use.

Dunnage Shelving

Heavy-duty storage solutions

This durable two-piece shelving is made of rugged square tubing with a separate wire rack and is designed to easily store your heaviest items. This reliable shelving is built to provide the same benefits as other shelving but with greater strength for heavier storage.

Features

Environments

Chrome (Dry Environments)
Green Epoxy (All Environments, Dry & Moist)
Black Epoxy (All Environments, Dry & Moist)
Stainless Steel (All Environments, Dry & Moist).

Airflow

Wire design ensures ample air flow and ventilation around items.

Durability

Heavy-duty, long-lasting design and commercial-grade construction. Safely store your heaviest ingredients and items.

Weight Capacity

800 lb. weight capacity.

Simple assembly includes split sleeves

Installing and adjusting this shelf on compatible posts is easy

Wine Storage Tips

1. Consider temperature, humidity, and air or light exposure.
2. Store horizontally, with label facing up.
3. Avoid movements and vibrations.
4. Track how long wine is in storage.
5. After opening, store in cool, dark place: refrigerators, wine cellars, and closets. Consume within 3-5 days of opening.

Features

Environments

Chrome (Dry Environments)
Black Epoxy (All Environments, Dry & Moist).

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes air flow in between and around products.

Durability

Long-lasting storage solution and commercial-grade construction.

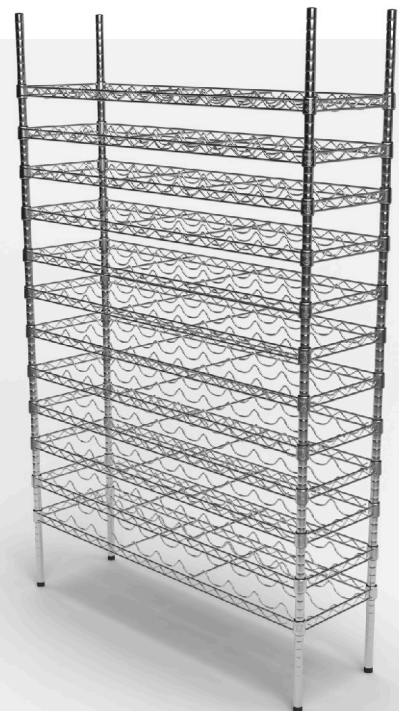

Bottle Capacity

Options of shelving sizes for small to large amounts of wine bottles for versatile storage options.

Popular Kits

460ECW144812	Chrome Finish
460ECW14243	Chrome Finish

Grooved Shelves

Hold bottles securely on their sides and prevent bottles from sliding around. This is also ideal for flavor retention and display.

Security Cages

Safely store protected goods

These lockable units protect against damage and theft while also optimizing the storage space in your liquor closet, back-of-house, or office.

Easy to Assemble

Hardware and plates included with kits

Features

Environments

Chrome (Dry Environments)
Green Epoxy (All Environments, Dry & Moist).

Security

Perfect for the safe storage of expensive alcohols, personal items, etc.

Durability

Long-lasting storage solution and commercial-grade construction.

Easy Transport

Can be made into a mobile unit for easy transportation.

Simple assembly includes split sleeves

Installing and adjusting this shelf on compatible posts is easy

Features

Environments

Chrome (Dry Environments)
Green Epoxy (All Environments, Dry & Moist)
Black Epoxy (All Environments, Dry & Moist)

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes airflow in between and around products.

Durability

Long-lasting design and commercial-grade construction.

Space Saving

Perfectly fits in corners and maximizes spaces that might not have been used.

Sliding Shelves

Convenient sliding shelving for easy access

This chrome wire sliding shelf is the perfect addition for a versatile and reliable storage solution. The shelf slides forward for easy access and simple item retrieval. It's the perfect addition to storage in dry environments.

Features

Environments

Chrome (Dry Environments).

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes airflow in between and around products.

Versatile

To support your ever-evolving storage needs, the shelf is fully adjustable along shelving posts (sold separately). This allows it to accommodate products of varying shapes and sizes.

Easy Assembly / Take Down

Can be assembled and disassembled with ease and adjusted without tools or hardware - comes with split sleeves.

Sliding Shelves

Provides easy access to contents located at the back of the shelf. This eliminates the hassle of reaching over products and allows access to all products stored on the shelf.

Sliding Shelving

Item Number	Width	Length	Weight Capacity
460EC1824SLD	18"	24"	110 lb.
460EC1836SLD	18"	36"	110 lb.
460EC1848SLD	18"	48"	110 lb.

Cantilever Shelves

Space-saving, cantilever design

A convenient storage solution that's space-efficient and perfect for any dry storage application. From the office to the back of the house, this chrome shelf is designed for use with only two posts instead of the traditional four.

Features

Environments

Chrome (Dry Environments).

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes airflow in between and around products.

Space Saving

Since it's overhead, it can store a variety of items, from paper products and linens, to cooking utensils and office products. A retaining ledge prevents products of all shapes and sizes from falling off.

Versatile

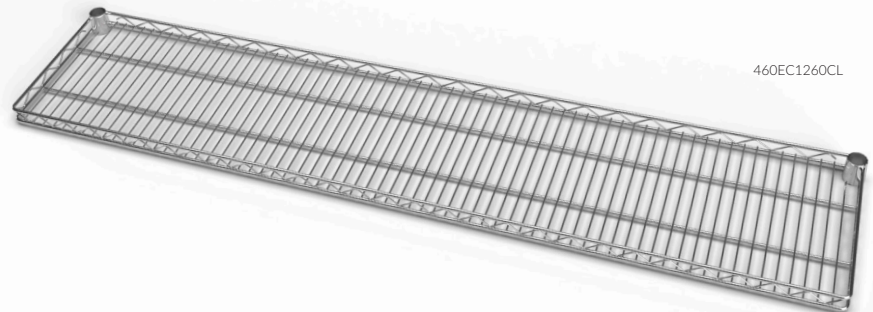

Two posts instead of the normal four creates an overhead storage solution without drilling into the wall.

Simple assembly includes split sleeves

Installing and adjusting this shelf on compatible posts is easy. Wall securing brackets sold separately if desired.

Cantilever Shelving

Item Number	Width	Length	Weight Capacity
460EC1224CL	12"	24"	150 lb.

*Only compatible with Utility Handles

Features

Environments

Chrome (Dry Environments).

Versatile

Kits have baskets, shelves, and cutting boards so multiple types of items can be transported.

Easily Adjustable

Easy to assemble and adjust to fit your specific needs.

Durable

Long-lasting storage solution and commercial-grade construction.

Popular Kits

- 460CCRT18243 Chrome Finish
- 460UCART2436 Chrome Finish

Easy to Use

Handles and casters make the cart easy to maneuver. Can adjust handle where needed.

Accessories

Customize your shelving solutions with a wide variety of accessories, shelving add-ons, and replacement parts.

Ledges

Easily contain items on your shelving unit to prevent them from falling or hanging off.
